MARKING 40 YEARS OF EDUCATION EXCELLENCE

For four decades, INTI has been a trusted name in higher education, empowering generations of learners through academic excellence, innovation, and global engagement. In 2026, we mark 40 years of transforming lives and shaping futures through future-focused, high-quality education.

“With over 40 years of experience, we remain committed to driving change and preparing graduates with the mindset, skills, and agility to lead and shape the future.”

Dr Chong Kok Wai
Chief Executive Officer
INTI International University & Colleges

YOUR FUTURE BUILT TODAY

With decades of experience and a strong reputation in education, INTI remains committed to innovation and the delivery of future-focused learning. Our curriculum integrates academic rigour with practical relevance, equipping students to excel in a rapidly evolving global landscape. Through digital advancement, industry engagement, and international collaboration, INTI nurtures confident and adaptable graduates – prepared to lead, adapt, and contribute meaningfully across borders and industries.

Let's get started - your journey begins with us.

WHY INTI?

1000+ Industry Partners

INTI collaborates with more than 1000 industry partners including local and global organisations such as IBM, Google, FedEx, Shell, Unilever, Intel, Microsoft, Huawei, SAS, DELL and more.

100% Internship Placement

Good academic results are no longer sufficient to ensure the employability of students, therefore work experience in the form of internships is steadily becoming more important.

3000+ World Class Employer Projects

More than 3000 world class employer projects since 2010

Broad Range of Innovative Programmes

Accredited by the Malaysian Ministry of Education, INTI offers a wide range of innovative programmes from Pre-University to Postgraduate programmes.

Career Development

INTI Leadership Series - One of INTI's signature events that features top leaders from highly successful companies speaking to INTI students on topics related to leadership, innovation, entrepreneurship and strategies relevant to today's business.

Beyond Academic

INTI provides an enriching experience that enables students to find their true passion through on-campus events and activities organised by numerous clubs and societies. Through these activities, students are able to enhance their soft skills and talents.

Vibrant Community

Immerse yourself in a diverse and vibrant international community of over 16,000 students from 100+ countries.

World-Class Facilities

Experience unparalleled learning and growth in our signature world-class facilities and enjoy top-notch sports and recreational amenities for your well-being.

SUCCEED GLOBALLY WITH THE INTI EDGE

THE INTI EDGE

We Are INTERNATIONAL

Our internationally recognised education will enrich you with the right skills and attributes to excel at whatever you do and wherever you go.

WORLD RENOWNED COLLABORATIONS WITH PRESTIGIOUS UNIVERSITIES

INTI offers exclusive franchise degrees and dual award degree programs in partnership with some of the world's highest-rated universities. These partnerships enhance your academic credentials and provide access to prestigious institutions of higher learning globally. With opportunities to learn from international lecturers, participate in joint projects, and embark on international study tours, you will gain a truly global educational experience.

AUSTRALIA

INNOVATIVE Teaching & Learning

INTI integrates an array of proven approaches to teaching combined with revolutionary applications of technology in the classroom such as the innovative Canvas Learning Management System.

INTI uses Canvas as our Learning Management System (LMS), providing customizable tools to enhance teaching and learning for students and lecturers. This user-friendly platform supports collaborative digital learning environments, fostering a holistic educational experience.

Canvas's robust features – such as Rubrics, Modules, Calendars, Quizzes, Syllabi, Discussions, Analytics, and SpeedGrader – enable instructors to provide dynamic and personalized learning experiences. The integration of Turnitin with the AI Detector feature helps maintain academic integrity and ensures high-quality educational delivery.

INTI collaborates with industry partners like IBM, AWS, LGMS, SAS and Alibaba GDT to integrate industry content into the curriculum. This enriches course content, enhances learning outcomes, and makes education more engaging and practical.

INDIVIDUAL Development

INTI endeavours to include practical experiences in every programme it offers. From practical workshops taught by local and international guest lecturers and industry practitioners who share the ins and outs of the working world, to hands-on practical projects initiated by potential employers.

DRIVING SUCCESS THROUGH INDUSTRY COLLABORATION

Over the years, INTI has built powerful collaborations with leading multinational corporations and major local organisations across diverse platforms. These partnerships drive innovative curricula, enrich classroom learning with real-world insights, and ensure our students develop into future-ready graduates. Through these strong industry connections, our students gain access to:

- Industry Awards / Scholarships
- Employer Projects
- Boot Camps and Career Workshops
- INTI Leadership Series
- Faculty Industry Attachments
- Coaching and Mentoring
- Industry Advisory Boards
- Industry Skills Certifications
- Employer Centric Curricula
- Internships and Job Placements

These initiatives ensure our graduates gain the skills, confidence, and job readiness employers demand.

Employer's Choice of University Award

Graduate employability is at the core of what we do. Our close industry ties and job-focused training make INTI a preferred source of talent, earning us the Employer's Choice of University Award by Talentbank's Graduate Employability (GE) Index for two consecutive years – **2024 and 2025**.

Our graduates are highly sought after. We prepare them to become world and future-ready professionals, equipped with the skills employers value most and the ability to contribute effectively in the workplace.

Our Industry Partners:

and many more

MAKE YOURSELF FUTURE READY

INTI PRE-UNIVERSITY - THE FIRST STEP TO SUCCESS

Standing out from the crowd in a highly competitive job market requires you to have a decisive edge. The INTI Pre-University course not only prepares you for tertiary studies at the world's best academic institutions, it also empowers you with a holistic foundation of both soft skills and knowledge to succeed later in life. If you have your sights set on studying in a world-class university, the INTI Pre-University programme is the first step to success.

INTI UNIVERSITY PLACEMENT SERVICES

The University Placement Office (UPO) provides comprehensive university information and application assistance exclusively for INTI students from all programmes.

UPO offers guidance and support for direct or transfer applications to partner institutions in Australia, New Zealand, United Kingdom, and Ireland.

Services provided by UPO:

Personalised Advising on:

- Programme, course, or institution of choice
- Admission requirements including academic qualifications
- Application procedures
- Information on available scholarships

Opportunities to Connect with University Representatives:

- Info sessions
- Study Abroad Fairs
- Workshops or guest lectures
- Face-to-face or online meetings

Assistance and Guidance including:

- Submission of applications to institutions
- Follow-up on additional documents or information required by the institution
- The outcome of applications from the institution
- Securing a confirmation of acceptance

Other Assistance includes:

- Student visa applications
- Pre departure briefings
- Information on accommodation

WORLD-CLASS SUBJECT MATTER EXPERTS

The INTI Pre-University programme is staffed by some of the world's best lecturers as well as a team of respected Subject Matter Experts (SME). Each SME is an authority in their own field, offering specialised, world-class expertise in an important subject, business area or technical field, allowing INTI students exclusive access to their expert knowledge. INTI's SMEs also act to ensure that the courses offered at the INTI Pre-University programme continue to be relevant and are on par with the world's highest standards. The results speak for themselves.

CAMBRIDGE A-LEVEL

Over the years, INTI has produced Cambridge A-Level students who have achieved Outstanding Cambridge Learner Awards. Recipients of the award are recognised as the world's best-scoring students, with INTI Pre-University students earning Top in the World and Top in Malaysia for Biology, Business, Economics, Chemistry, Mathematics and Physics.

HEAR WHAT OUR CAMBRIDGE A-LEVEL ALUMNI SAY

“Studying at INTI after graduating from IGSCSE has led me to foster many new connections, in addition to helping me achieve my A-Level goals. I was very lucky to have met caring lecturers who guided me along my journey, and even more lucky to have met amazing classmates with whom I cherished every moment. My advice for current students is to never doubt your own abilities – you are who you manifest!”

ONG ZHI ZHENG
Cambridge A-Level
Massachusetts Institute of Technology (MIT)

“I have been with INTI since 2022, where I met great coursemates who later became friends. My lecturers – Ms. Ng, Mr. Teo, Ms. Teoh, Mr. Tan and Ms. Beatrice – have been very understanding and flexible about my coursework due to my circumstances, allowing me to balance my A-Level studies with other pursuits such as the Olympiad. The Head of the Program, Ms. Tan, and University Placement Office's Pn. Nazlina have been of great help with my university application as well. Ms. Tan and Ms. Ng, in particular, have offered me great support both in and outside the classroom, and they truly deserve our gratitude.”

WONG JER REN
Cambridge A-Level
Massachusetts Institute of Technology (MIT)

“INTI's supportive environment and dedicated lecturers made my A Level journey both meaningful and rewarding. With consistent practice, a strong understanding of concepts, and a healthy study-life balance, I was able to achieve Top in the World for A Level Mathematics. Helping others along the way also strengthened my own learning and kept me motivated to aim higher.”

TEOH KE YI
Cambridge A-Level
Top in the World for Mathematics (A Level)

“Studying A Levels at INTI has been a rewarding experience. The well-equipped labs, supportive lecturers, and friendly competition pushed me to excel – earning Top in Malaysia for AS Level Chemistry. Making personalised notes, practising past papers, and staying focused helped me overcome challenges and stay motivated throughout the journey.”

CHENG SHI WEI
Cambridge A-Level
Top in Malaysia for Chemistry (AS Level)

“Studying at INTI was truly transformative. Not only did it provide an excellent academic environment, but it also offered a wealth of extracurricular opportunities. Engaging in these activities allowed me to forge lifelong friendships and thrive both academically and personally. Additionally, the services provided by INTI enhanced my overall learning experience. To aim for an excellent grade at INTI was not a difficult job as the tutors had done a tremendous job in inspiring young minds. Moreover, they were always there to address our queries, ensuring that no doubts went unresolved.”

KHOR HAOJUN
Cambridge A-Level
Nanyang Technological University

RECOGNISED AND ACCEPTED WORLDWIDE

Since 1986, our Pre-University programmes have paved the way for students to gain entry into the following prestigious universities globally. In 2024, two of our Cambridge A-Level students achieved the remarkable feat of being accepted into the renowned Massachusetts Institute of Technology, USA.

CAMBRIDGE A-LEVEL (CAL)

Conducted by Cambridge Assessment International Education (Cambridge), this programme provides students with a wealth of options to study a wide range of professional courses at the best universities in the world. It also equips them with reasoning and thinking skills that are necessary for degree courses.

The CAL consists of two levels: the Advanced Subsidiary (AS) Level and the Advanced 2 (A2) Level.

International recognition

The Cambridge A-Level is one of the most recognised qualifications around the world. For over 50 years, it has been accepted as proof of academic ability for entry into local and foreign universities and institutions of higher learning.

- Good A-Level grades are key to admission into the world's leading universities and institutions of higher learning
- Good A-Level grades can also result in one full year of advanced standing at universities in the United States and Canada

Assessment

The Cambridge AS and A2 Level examinations are conducted in May / June and October / November. The May / June examination results are released in August, while October / November results are released in January. Students will receive a certificate after completing the AS level examination and the A-Level certificate after completing both the AS level and A2 level examinations.

Examination dates

May / June
October / November

Offered at

INTI International College Subang
(R3/010/3/0398)(L1/26)(A7476)

INTI International College Penang
(R3/0011/3/0109)(06/29)(A10116)

INTAKES: JAN & JUL

Duration

1.5 years

**Can only be taken as 4th subject in both campuses.*

*** Only offered in INTI International College Penang*

Please consult the programme counsellors on subject combinations before registering. Students are advised to refer to the respective universities for detailed information on subject prerequisites.

Subjects offered

- Biology
- Business
- Chemistry
- Economics
- Further Mathematics*
- Mathematics
- Physics
- Psychology
- Accounting**

Recommended subject combinations

Different recommended subject combinations are available, providing students with a balanced mixture of subjects to meet the subject entry requirements for their university studies. Students can choose either three or four subjects from one of the combinations.

Medicine, Pharmacy, Dentistry, Sciences

- Biology
- Chemistry
- Mathematics
- Physics

Engineering, Actuarial Science, Sciences

- Chemistry
- Economics

- Mathematics
- Physics

Mass Communication, Finance, Commerce

- Business Studies
- Economics
- Mathematics
- Psychology
- Accounting**

* Subject prerequisites apply.

** Depending on your final degree choice. Please refer to Head of Programme for further clarification.

Subject to campus availability.

FOUNDATION IN ARTS

This programme is specially designed to prepare students for the field of communication. It also has a few subjects that allow students to venture into Business, Psychology and Sociology. There are four major communication subjects to enhance understanding in the field of communication. As these subjects are also substantial in business degree programmes, students have the option to choose electives or pathways in Business or Psychology. Students are also given an insight into the creative and critical sides of writing to prepare them for an ultimate unique career.

Media and Communication Pathway

This programme is designed to enhance communication skills and media literacy skills required of future media practitioners. Students will be given an insight into the creative and critical side of writing, to prepare them for a career that requires the use of words and images to communicate ideas creatively and effectively via media such as television, radio, newspapers and the Internet.

Business Management Pathway

This programme will also allow students to study courses relevant to their desired degrees in the areas of management. These courses provide a fundamental understanding of concepts and principles of how an organisation works, organisational structure and behaviour, market structure and consumer behaviour.

Psychology Pathway

This programme is a pathway to a specialized degree in Psychology. These courses equip students with a fundamental understanding of concepts and theories to address intellectual, emotional, social, and psychological needs of individuals.

Assessment

Assessment of individual courses in this programme consists of two components:

- Continuous coursework (50%)
- Final examination (50%)

The continuous coursework component comprises different assessment tasks such as projects, assignments, laboratory work, presentations, tests, and others as assigned throughout each semester. The final examination is conducted at the end of each semester. The assessments are subject to quality assurance procedures to maintain high standards and ensure fair assessment.

Progression

Students who have successfully completed the Foundation in Arts can choose to enter the following undergraduate programmes:

Media and Communication

- Bachelor of Arts (Hons) Mass Communications 3+0, in collaboration with University of Hertfordshire, UK
- Bachelor of Mass Communication (Hons), in collaboration with University of Hertfordshire, UK
- Bachelor of Media and Communication 3+0, in collaboration with Swinburne University of Technology, Australia
- Bachelor of Arts in Communication 4+0, in collaboration with Southern New Hampshire University, USA

Business

- Bachelor of Business (Hons) with Psychology
- Bachelor of Business 3+0 (major in Finance/Accounting/Marketing/Management/International Business / Human Resource Management), in collaboration with Swinburne University of Technology, Australia
- Bachelor of Arts (Hons) Marketing 3+0, in collaboration with University of Hertfordshire, UK

Psychology

- Bachelor of Arts in Psychology 4+0, in collaboration with Southern New Hampshire University, USA

Courses offered

- Basic Computing
- English Language Skills 1
- English Language Skills 2*
- Fundamentals of Business Management
- General Studies
- Human Communication
- Introduction to Business Studies
- Introduction to Intercultural Communication
- Introduction to Mass Media
- Self-Development Skills
- Skills for Creative Thinking

Electives[#] (Please choose one Combination)

- Basic Sociology
- Digital Communication
- Fundamentals of Psychology
- Macroeconomics
- Microeconomics
- Visual Communication

Combination 1

- Digital Communication
- Visual Communication

Combination 2

- Macroeconomics
- Microeconomics

Combination 3

- Basic Sociology
- Fundamentals of Psychology

FOUNDATION IN SCIENCE

This programme prepares students for admission into Science or Engineering-related degree courses at INTI. It is also an exit certificate course that enables students to apply directly to other universities in Malaysia. It is designed to equip students with solid fundamental knowledge that will enable them to pursue their degree studies in the areas of Biotechnology, Engineering, and Allied Health Sciences.

Students have a choice of Engineering, Biological Science or Pure Science. Those who wish to pursue engineering-based programmes need to take engineering elective subjects and those who wish to pursue biology-based programmes need take the biological science elective subjects. However, students who opt for the pure science pathway can pursue their studies in engineering or any science-based undergraduate programme.

** Prerequisite applies*

Assessment

Assessment of individual courses consists of two components:

- Continuous coursework (50%)
- Final examination (50%)

The continuous coursework component comprises different assessment tasks such as projects, assignments, laboratory work, presentations, tests, and others as assigned throughout each semester. The final examination is conducted at the end of each semester. The assessments are subject to quality assurance procedures to maintain high standards and ensure fair assessment.

FOUNDATION IN BUSINESS

The programme aims to equip students with both academic knowledge as well as industry skills to compete in the international market. The programme introduces students to the world of business with an initial grounding in management skills. Students will obtain solid fundamental understanding of concepts, principles, structures and behaviors of an organization, the competitive business environment, and consumer behaviour. The academic knowledge and practical skills gained will help them springboard into the next level, a Business degree programme.

Students will study courses relevant to their desired degrees in the areas of management and accounting. These courses provide a fundamental understanding of concepts and principles of how an organisation works, organisational structure and behaviour, market structure, and consumer behaviour.

Assessment

Assessment of individual courses in the Foundation Programme consists of two components:

- Continuous coursework: 50%
- Final examination: 50%

The continuous coursework component comprises different tasks such as projects, assignments, laboratory work, presentations, tests, and others as assigned throughout each semester. The final examination is conducted at the end of each semester. The assessments are subject to quality assurance procedures to maintain high standards and ensure fair assessment.

* Prerequisite applies

FOUNDATION IN INFORMATION TECHNOLOGY

The programme aims to prepare students to progress into various fields of IT and Computer Science Degrees, so that they can thrive in an increasingly competitive employment market. It achieves this through a blend of academic study and skills development. The programme is designed for students who are seeking a career in the field of IT and Computer Science which is aimed to meet the industry demands by producing graduates who are qualified, competent, creative and innovative, and who will eventually be experts in this industry. Graduates of this programme may progress to an undergraduate degree, namely Computer Science, Information Technology, Computing, and Information Systems.

Assessment

Assessment of individual courses in the Foundation Programme consists of two components:

- Continuous coursework: 50%
- Final examination: 50%

The continuous coursework component comprises different tasks such as projects, assignments, laboratory work, presentations, tests, and others as assigned throughout each semester. The final examination is conducted at the end of each semester. The assessments are subject to quality assurance procedures to maintain high standards and ensure fair assessment.

Offered at

INTI International University
(N/0611/3/0019)(06/26)(MQA/FA14588)

INTAKES: JAN, MAY & AUG

INTI International College Subang
(N/0611/3/0017)(05/26)(MQA/FA14514)

INTI International College Penang
(N/0611/3/0026)(07/26)(MQA/FA14720)

INTAKES: JAN, APR & AUG

Duration

1 Year

Progression

Students who have successfully completed the Foundation in Information Technology can choose to enter the following undergraduate programmes:

Information Technology

- Swinburne University of Technology, Australia
- Bachelor of Computer Science 3+0
- Bachelor of Information and Communication Technology 3+0

Coventry University, UK

- Bachelor of Science with Honours in Computer Science 3+0
- Bachelor of Computer Science(Hons) 3+0
- Bachelor of Information Technology (Hons) 3+0
- Bachelor of Science with Honours in Software Engineering 3+0

INTI International University

- Bachelor of Technology (Honours) Data Science

Courses offered

Compulsory (13 courses):

- English Language Skills 1
- English Language Skills 2*
- Introduction to Business Studies
- Fundamentals of Mathematics
- Advanced Mathematics*
- Business Statistics
- General Studies
- Skills for Creative Thinking
- Self-Development Skills
- Basic Computing
- Programming Techniques
- Data Communication and Networking*
- Introduction to Database Management System*

* Prerequisite applies

FOUNDATION IN DESIGN

The Foundation in Design programme at INTI offers a broad-based platform for exploration and experimentation, empowering students to become independent thinkers, creators, and designers. Through exposure to diverse topics and projects, they cultivate creativity while discovering practical applications that translate into innovative ideas and designs. The programme also provides essential practical skills and foundational knowledge in art and design, preparing students for a seamless transition into higher studies.

Recognised by Sheffield Hallam University (SHU), UK, the Foundation in Design serves as a direct pathway to three degree programmes at INTI: BA (Hons) Fashion Management and Communication 3+0, BA (Hons) Graphic Design 3+0, and BA (Hons) Interior Architecture & Design 3.5+0. This recognition ensures students can advance with confidence into specialised fields of their choice.

Highlights

- Pathway to a quality UK Design Degree offered at INTI
- The curriculum covers broad theoretical and practical design skills
- Teaching and learning is supported by experienced lecturers, ensuring a smooth progression to degree studies
- Specialist lecturers who are also design professionals
- Experiential and innovative learning via Project-based Learning
- The programme and curriculum emphasise multi-cultural perspectives
- Design-driven learning environment with state-of-the-art facilities

Offered at

INTI International College Subang
(R2/0212/3/0001)(03/27)(MQA/FA1292)

INTAKES: JAN, APR & AUG

Duration

1 Year

Programme structure

- 3D Design
- Critical Studies
- Design Communication Skills 1
- Design Communication Skills 2
- Design Theories to Practices
- Design Project
- English Language Skills 1
- English Language Skills 2
- General Studies
- History of Art & Design
- Portfolio Design
- Self-Development Skills
- Skills for Creative Thinking

* Progression to a SHU degree is subject to English language proficiency and the successful review of a relevant portfolio.

HEAR WHAT OUR FOUNDATION ALUMNI SAY

“INTI empowered me to grow academically and personally. Through roles in INTIMA, Changemakers Hub, and Career Services, I built leadership skills and led projects like MyBuddy, PayNet 3.0, and a social enterprise - securing over RM70,000 in seed grants. These experiences shaped my passion for public service and startups.”

SEBASTIAN YEW SEIK XUAN
Foundation in Arts

“Studying at INTI has been an amazing journey filled with growth and support. With excellent facilities, engaging activities, and dedicated support staff, I was able to balance academics and extracurriculars. The lecturers played a key role in shaping both my knowledge and character.”

CHARLOTTE LOKE
Foundation in Information Technology

“My foundation journey at INTI was both educational and personally enriching. Supportive lecturers helped build a strong academic base while encouraging real-world application and lifelong learning. INTI's focus on both academics and personal growth - through industry workshops and hands-on experiences, truly shaped my perspective.”

CHARLENE LOKE
Foundation in Business

“Completing my Foundation at INTI was never a regret in my education pathway. While it may seem obvious, this program truly laid the groundwork for what I want my university life to be like—having fun while making an impact on the community and excelling in my studies. I can honestly say that I had the most fun studying alongside my peers, supported by incredibly friendly lecturers. This is why I believe that completing my Foundation at INTI will always be one of the best decisions I've made in my educational journey.”

AMEER MUSHARRAF NOOR MUSADDIK
Foundation in Information Technology

“As a current student in the Bachelor of Business Finance programme at INTI, my educational journey started with the Foundation in Business, and it has been truly enlightening and life changing. Participating in a variety of enjoyable activities, societies, and workshops during my Foundation year has given me priceless experience and created cherished memories. I am deeply thankful to INTI for giving me this chance to embark on such an incredible and transformative journey. The knowledge and experiences I've gained here will undoubtedly steer me towards a successful and fulfilling future.”

MOVINRAJ RAMAN
Foundation in Business
