

Professional Development Programme

PROFESSIONAL GROOMING AND MAKE-UP

This programme offers a solid understanding of how to effectively apply make-up that suits your unique features.

It will take students through the process of purchasing make-up as well as the principles of applying it. It will also assist the student in putting on their best appearance and attempting to appear as youthful and attractive as possible at work parties, outings, or any other social event while being professional. The most important thing is to comprehend both the WHY and the HOW of each cosmetic treatment.
